Freefoam now supplies the amazing award winning Hedgehog gutter brush:

- Designed to keep gutters and drains clear of leaves, twigs, sticks and birds...
- Manufactured using stainless steel wire core and polypropylene bristles to create the long lasting Hedgehog brush.
- Automatically adapts to the shape of any gutter.
- 4 metre x 100mm brush, suitable for 95% of domestic gutters

Blocked gutters can be a constant worry: the lack of regular and often precarious maintenance can cause irreversible damage to downpipes, roof tiles and gutters. This damage can, in turn, lead to more problems. But now there's HEDGEHOG™ - a continuous polypropylene 'brush' which prevents the build up of wind-blown debris.
